

Col and Mrs Barry Howard, 27 Dec 2013: "Sandra and I did the deed on Dec, 27 shown here in the center picture, married by the County Commissioner, Austin Green, in his store. We are moving to San Antonio soon because of my COPD. Our house in San Antonio is shown on the left middle picture. Shown with the shotgun is (my son) Mike's daughter who now goes duck hunting with Mike and got her duck on first shot, wearing Sandra's white fox!"

"After my friend Steve Langford, a true Warrior and National asset, died on Christmas morning at age 64, I decide it was time to accelerate our wedding date!"

Happy New Year!
Barry and Sandra
